President's Report

Last meeting there were four contestants for harmony. First place went to Rex, well done Rex.

Our guest lecturer was rob, Mista Twista. He taught us some simple and very hard balloon animals. Every one could see that he works very professional with his animals. His charisma and approach were well received by all.

Our next meeting is our Christmas breakup, the club is putting on a BBQ, so come hungry. It is a non alcohol event and is held at our normal meeting place at the Magic Zone. Hope to see you all there.

Who wants to go on Australia's Got Talent? The club has been approached to seek out talented Magicians whom perform Illusions or stage and close up magic. I will include an email they sent me. Alan Sloggett

Hi Alan,

It was great to chat to you today. We are looking forward to building a strong relationship between the 'Magic Circle of Victoria' and the new 'Australia's Got Talent'.

As we discussed, the show is moving to the Nine Network in 2013 and it is going to be the channel's most important property for the second half of the year. As such, 'Got Talent' is being revolutionised with a new judging panel of industry heavyweights, new hosts, a new stage, and most importantly a new look and feel to the show. It truly will be an exciting year to be part of the world's number one format!

With the focus on talent, we are after the most spectacular and entertaining acts in the country. As magic and illusion have proven to be one of the most popular genres on 'Got Talent' worldwide, we want to work with the 'Magic Circle of Victoria' to bring the best Australian magic has to offer to our stage.

What this means for the magicians of Australia is:

- a) The chance to reach millions of Australians through prime time TV, along with millions more on YouTube around the world.
- b) Exposure that can lead to increased ticket sales, lucrative corporate bookings, and exposure to agents and managers
- c) In our studio rounds, the opportunity to work with experts in areas of sound, lighting, cameras, special effects, wardrobe and staging so that a performer's wildest dreams can be realised
- d) A life changing cash prize up for grabs that could be used by any performer for further development

We are looking for magicians, illusionists, escape artists, mentalists or any other act to showcase their talents in front of the nation.

For more information on how the show works, to set up a face-to-face meeting with any interested parties, or if there are any questions, please contact me directly:
