## President's Report:

I was really pleased to be able to attend the March meeting and catch up with everyone again. I may not be able to attend over the coming months so hopefully Alan Sloggett will be able to fill in for me again. Thanks to Alan and the committee for their help while I have been unwell.

Although I didn't attend the February meeting I couldn't help but be impressed by Ally Pearce winning Harmony after getting Richard and the other helpers to do all the work. A great strategy Ally.

Harmony in March had lots of variety with John Cairns winning with a mathematical puzzle I don't think any of us worked out. Time for a trick featured Thomas who came all the way from the Czech Republic to perform some great close up card magic. Thomas came with his cousin Michele who may return again as she said she had a good time.

Homemade magic was the theme for the night and John Cairns hosted this session and showed us lots of props made from things from around the house. He had help from Gary Cohen, Richard and Felix who has even invested in a new jigsaw power tool, so we might see even more amazing props from him in the coming months.

If anyone has ideas for guest speakers please let the committee know as we seem to have come to end of our lists. Any ideas to make the nights interesting are welcome.

I hope my health allows me to be back soon as I love our meetings and the fun and friendship we enjoy.

Regards

From the Vice president Alan Sloggett

Hi, I will do a small lecture on Children's Birthday parties at the April meeting.

Points I will be touching on are:-

- How to get Birthday Parties
- What price you should charge
- What not to do!
- The best way to control your audience
- How to get a re-booking

I will even bring some tricks that I do at parties.

During the week I was driving along listening to 3AW (I think the announcer was Darren James). They had a session on what TV show people have been on during their lives. Happy Hammond and the Tarix Show was the big winner with many people ringing up and saying they were on the show when they were kids. A gentleman rang up and said he had a vent puppet whom called Erick. Darren James said he had two vent puppets that he bought from the person who fixes up all RON BLASKETS vent puppets. Of course we all know who that is.... none other than our own clubman, Gordon Ross!

It saddens me to hear the passing of Graham Rich's wife. On behalf of the club I hope you are coping and our thoughts are with you Graham. I have been involved in magic for over 30 years and that is how long I have known Graham. Although he has retired from magic a long time ago, there is no better club man than Graham. As I said in 30 years there are only 2 other people I know who have done as much for their club as Graham has.

See you all at the next meeting

Alan Sloggett
